

# How to Access the Experience Hub

Navigate to the Experience home page at:  
<https://studentemployment.viu.ca/home.htm>  
and click the “Log In” button.

### About Experience Hub

Experience Hub is the Centre for Experiential Learning's online career, work-integrated learning, student employment, experiential learning, and student services platform that connects in-class learning with real world work experiences and opportunities. Designed to promote success by supporting students with relevant experiential learning, meaningful career opportunities and access to essential services, Experience Hub offers on and off-campus job postings, event calendars, career and advising appointments, work-integrated learning and experiential modules and more. The platform also supports staff/faculty and community partners with their needs for engaging students.
